## WHO SHOULD APPLY

The Increased Community Services program is for individuals who reside in nursing facilities who would like to live in their homes and communities; however, their income is too high for participation in Medicaid home and community-based waiver programs.

## ELIGIBILITY GUIDELINES

Medicaid home and community-based services can be provided to individuals who meet the following criteria:

- An individual currently residing in a nursing facility for at least three (3) months, 30 days of which are eligible to be covered by Medicaid.
- An individual participating in the Increased Community Services program shall contribute income in excess of 300% of SSI to the cost of care in the community and must meet the Program's asset limits (\$2,000).
- An individual's care, while receiving services in the community, may not cost the Medicaid Program more than the individual's care in the nursing facility.
- An individual must be 18 years of age or older.
- An individual must meet nursing facility level of care.
- An individual must not be eligible for an existing Medicaid 1915(c) waiver.
